CEO MESSAGE

Dear Friends and Supporters,

Welcome to Legal Services of the Hudson Valley's 2026 Equal Access to Justice Gala. Thank you for joining us as we celebrate the extraordinary individuals, organizations, and community partners whose leadership and generosity help ensure that justice remains within reach for everyone.

Every day, we witness the profound impact that access to legal representation can have on a person's life. A family remains safely housed. A survivor of domestic violence achieves security for their family. A senior preserves their independence. A veteran secures the benefits they earned. These victories may begin in a courtroom or at a negotiation table, but their impact extends far beyond the legal system—they strengthen families, neighborhoods, and communities throughout the Hudson Valley.

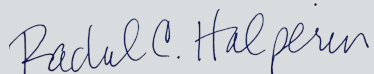

During the past year, LSHV served more than **9,000 clients**, handled over **12,000 civil legal matters**, and positively impacted nearly **28,000 household members** across our seven-county service area. Behind every number is a person whose future was changed because someone believed that justice should never depend on the ability to pay.

Tonight, we are privileged to recognize three outstanding honorees whose careers and commitment embody that belief: **The Honorable Lyndon D. Williams**, recipient of the **Champion of Justice Award**; **Deborah A. Scalise, Esq.**, recipient of the **Partner in Justice Award**; and **Cliff Weber, Esq. and the PCSB Community Foundation**, recipients of the **Community Partner in Justice Award**. Their leadership, integrity, and service have strengthened both the legal profession and the communities we proudly serve.

I also extend my sincere gratitude to our Board of Directors, dedicated staff, pro bono attorneys, volunteers, sponsors, and supporters. Your partnership makes our mission possible and allows us to stand beside thousands of individuals and families during some of the most difficult moments of their lives.

Thank you for believing in a future where equal access to justice is not simply an ideal, but a reality. Together, we are building stronger communities, protecting fundamental rights, and creating opportunities for hope, stability, and lasting change.

With sincere appreciation,

Rachel C. Halperin, Esq.
Chief Executive Officer
Legal Services of the Hudson Valley

A MESSAGE FROM OUR
DEVELOPMENT
COMMITTEE
GALA CO-CHAIRS

Dear Friends and Supporters,

On behalf of the Development Committee, welcome to the 2026 Equal Access to Justice Gala. We are grateful to have you with us as we celebrate the remarkable leaders, partners, and supporters who share our commitment to ensuring that justice is accessible to all.

This evening is a celebration of more than individual achievement—it is a reflection of what can be accomplished when a community comes together around a common purpose. Every sponsorship, every ticket purchased, and every contribution made tonight helps provide free, high-quality civil legal services to individuals and families facing some of life's greatest challenges.

We are proud to honor **The Honorable Lyndon D. Williams, Deborah A. Scalise, Esq., and Cliff Weber, Esq., together with the PCSB Community Foundation** for their outstanding leadership and unwavering dedication to justice, service, and the communities we serve. Their example reminds us that meaningful change is built through integrity, compassion, and partnership.

We also extend our heartfelt gratitude to our generous sponsors, whose support makes this evening—and our mission—possible. Your investment strengthens Legal Services of the Hudson Valley's ability to protect vulnerable families, preserve housing, support survivors of domestic violence, advocate for older adults, veterans, and people with disabilities, and ensure that thousands of our neighbors have access to justice regardless of their ability to pay.

Thank you for standing with us and for believing that justice should be available to everyone. Together, we are creating lasting change and building a stronger, more equitable Hudson Valley.
